## Of Woman's Clubs In Meet In Pahokee

The County Convention of The Federation of Woman's clubs was held at the Pahokee club house in an all day session, Tuesday.

with a good representation from all clubs of the area. Owing to the illness of the county president, Mrs. Miller, of West Palm Beach, Mrs. Sue Webster, of Lake Worth, vice president of Section Ten, presided over the session in her usual capable manner.

The address of welcome was made by Mrs. Henry Brooker, for the Pahokee club, and the response was made by Mrs. Johnson of the Lake Worth club.

Club reports were made by the officers and showed that many worthwhile projects had been undertaken and carried on very successfully, many of them of a civic nature. The reports showed that a membership campaign had brought 77 new members to the West Palm Beach club, 70 to Lake

Worth, 11 to Pahokee, and a new club at Lantana was received by the Federation with a membership of 20 women. Reports were made by Mrs. Hampton Holloway for Belle Glade; Mrs. Ellis for Delray; Mrs. Eula Bailey for Lake Worth; Mrs. James Asher for West Palm Beach, and Mrs. Henry

Recess was taken for dinner which was served by a committee of Pahokee club members headed by Mrs. Sam McKinstry, Sr., as chairman.

Mrs. B. Elliott was chairman of the program entertainment on which the following appeared: vocal solo, Club Collect, Mrs. Mary Waffington, with Miss Anita Mitchell at the piano: accordion solo.

Vance Denton; readings and solo by Mrs. E. D. Caudill; selected readings and songs, in costume, Patsy and Elmer Elliott. Their selections were "Sun Bonnet," "Sue and Overall," "Jim," "My

The clubs were pleased to hear a most instructive and enlightening address on "Conservation of National Resources," by Mrs. Van Berkem, of Okemoshobee. This tal-

One of her strong pleas was that women folk should appreciate the right of franchise and exercise it on every occasion for it is to be

through the influence and power of women that many of much needed reforms must come. Mrs. Van Berkem also conducted a quiz concerning dates and historical events of Lake Okeechobee.

She urged that we give a study

of the "isms" for already many of them have gotten a strong foothold in our nation, and are sure to become a national disaster.

The election of officers resulted in the selection of the following:

West Pan Beach; vice-presidents, Mrs. Henry Brooker of Pahokee and Mrs. Hampton Holloway, of Belle Glade; secretary, Mrs. Hipper, of Lantana; treasurer, Mrs. Waddell; parliamentarian, Mrs. H. C. Hood.

## To Continue Fight For Water Control

The Kissimmee Valley Flood Control and Water Conservation Association, with headquarters at Kissimmee, is not knocked out by

more steam and secure additional data to show that the view point of the Engineers is in error. How-

Lee Bonnier, who operates a fishing camp near Okeechobee, is the latest promoter to come to the aid of the project, and he has strongly and clearly set out what this improvement would mean from a sportsman's viewpoint. He holds that the improvement would furnish year round water supply, which would prevent the death of millions of fish, which die each summer during the low water

## Owens Will Aid County Taxpayers

Jimmy Owens, county tax assessor, spent the entire day Monday in Pahokee and Canal Point assisting with taxpayers who reported their property values for the year ending March 31st. Mr. Owens was first notified of the approaching sales the latter part of last week by a Pahokee taxpayer and on Monday he was in this section offering his assistance to straighten out the situation.

In commenting on the situation Mr. Owens said that the entire facilities of his office are at the command of those who desire to look up information concerning their lands. He stated that he will be more than glad to do all in his power to assist the taxpayers in finding out whatever they want to know about their properties.

While digging along the shore of a lateral canal bank C. H. Pope on Friday last, picked up an oval object, which he slipped into his pocket. Later he removed the dirt and oxidation from the same and found it to be a silver coin. It is a coin of U. S. mintage and bears the date of 1808, and is apparently a dime piece. When he picked it up it was the size of a Buffalo nickel. Such an old coin no doubt has extra monetary value.

Report is that a negro was sent out back of the city hall to do some digging recently and he unearthed a five dollar gold piece, which apparently had been under the ground long years. This coin was picked up on ground formerly used by the Larrimore store and while not now claiming ownership in the gold piece, Judge Larrimore said it must have been a coin which had been given him in trade, and which had unfortunately made its disappearance.

**RECEIVES WORD OF DEATH OF RELATIVES**

Mrs. Ernest Wendle has received word of the death of two of her relatives, Mr. and Mrs. Duval Dier of New York City, last week, visiting in Pahokee, and while en route home Mr. Dumont was stricken and died "on the train."

The other death was that of Mrs. Wendle's niece, little Jean Northrup, of Buffalo, N. Y.

**Pahokee Netmen Win From Labelle**

The LaBelle Cowboys and girls came over to Pahokee, Friday night, to play the last of the LaBelle scheduled basketball game at home. Coach Morrison brought two of the heaviest and tallest teams that have appeared on the local floor this season, and yes, they knew how to play basketball.

It looked as if the LaBelle girls would smother our smaller team, but looks and skill sometimes fool people, and this was the case in this tough and tense contest. The girls put everything they had in the game, which was nip and tuck all the way. However, Pahokee won by a score of 32 to 18. These same girls complete the season at LaBelle this week. Pahokee has won all of its games so far this season, with the exception of the opening contest at Moore Haven.

Pahokee boys opened with a bang and had scored 12 points before LaBelle had put a counter thru the net. In the second quarter LaBelle took the lead and held it to the end of the game, the final score being 37 to 31. The Coachmen put on a spurge in the closing quarter to regain victory.

The Pahokee boys are entered in the South Florida tournament at Miami, this Friday and Saturday.

**Flower Garden Is Doctor's Pastime**

Dr. Charles Creel, at the rear of his business block, has one of the most beautiful spots that Pahokee possesses. Here one can see glorious flower beds blooming with most varieties of domestic plants, intermingled with semi-tropical plants and shrubs. A very delightful hour can be spent looking over the layout and floral display. Dr. Creel is now busy placing a rock wall along the banks of the old ditch that passes through the garden, in order that he may secure more room for floral culture work. Flowers are the doctor's off time hobby and he makes a success of same.

**ANDREWS MARKS IN CAPITAL BY DUTIES**

Orlando—Although United States Senator Charles O. Andrews originally planned to open his speaking campaign for reelection to a full term on his birthday, March 7, development of a number of major matters, important to Florida, may compel him to change this schedule.

Information received at the Senator's Orlando headquarters indicates, however, he may come into the State, within the next few days on official Senate business. This pre-campaign trip to Florida would be confined to visits to only a few cities.

While the Senator literally is in "fighting trim," eager and ready to open his speaking tour, as arranged, his supporters insist, he will maintain his duty-first policy adopted when he was first elected in November, 1926, and remain in Washington as long as is necessary.

**EASTER CANTATA**

An Easter cantata will be presented at the Pahokee Methodist church on the night of Good Friday and will contain many special musical numbers.

## Ten Day Revival Starts On Easter

Starting on Easter Sunday night, a ten day revival will open at the Pahokee Methodist church, in charge of Miss Catharine Darnforth, from Macon, Ga., assisted by several co-workers from her college. This series of revivals will be in the interest of the Youth Movement, sponsored by the Epworth League and other church organizations of the church. More details concerning this series of meetings will be given in publication at a later date.

On next Sunday afternoon, at the Pahokee Methodist church, Dr. Meredith, District Superintendent of the East Coast district, will conduct a Young People's Department convention, to which all the youth of the community are extended an invitation. In the evening Dr. Meredith will be in charge of the services and will deliver the worship hour sermon.

**Pahokee Rotarians Nominate Officers**

The nominating committee reported yesterday at the regular weekly meeting of the Rotary club in Pahokee and offered the following names to serve as officers during the coming year: President, Thurmond Knight; treasurer, Ben Waring; secretary, Fred L. Martin; directors: Thurmond Knight, Ben Waring, Paul Rardin, J. B. Cox, Paul Jordan and Joe Alderman.

Miss Anita Mitchell and a group of girls from the high school glee club entertained the group with several selections under the program direction of C. A. Bailey. Ralph Freeman of Belle Glade was a visitor.

**PURCHASE MACHINE FOR ELEMENTARY SCHOOL**

The Mother's club of the Pahokee Elementary School, has purchased a stapling machine for the use of these schools.

**RELATIVE OF WELATKA WORKMAN DEAD IN NORTH**

William Koski, employed in the Welatka field office, on Monday, received a message announcing the death of his grandfather, Daniel Saari, in Cleveland, aged 60 years. He had long resided in Cleveland where he was prominent in Finnish circle activities.

## Paty Advancing, Experts Declare

Rated in second position in the hectic battle for governor, B. F. Paty, of West Palm Beach, is reported by a majority of political analysts as closing the gap between himself and Francis P. Whitehair, described as holding the lead. In fact, some observers put Paty first and Whitehair second while others think Sen. Spessard Holland and Paty are in the first two positions.

**HARVEST RHUBARB**

The Kennedy farms picked the first rhubarb of the present season, on Monday. The firm has about five acres planted to this luscious pie and sauce plant.
